

51973 Sandy Lane

Granger, IN
\$354,900

Front Exterior

Backyard Deck

Daytime View from Deck

Sunset view from Deck

Enjoy beautiful lakeside sunsets from the privacy of your backyard deck. During the day bring out your binoculars and watch a variety of birds that call your lake home.

This customer-built ranch offers neutral decorating throughout with ceramic tile in the kitchen and all bathrooms. The great room opens up to a large kitchen with an ample supply of cabinet and counter space and an eating area that over looks the lake in the backyard.

Storage space will never be a problem as there is an abundant amount of closets strategically located through out this well-designed ranch home. A beautiful open staircase takes you to the lower level that features a second kitchen, full bath, large family room, bedroom and more storage area.

A gorgeous home inside and out, this property is affordable luxury certain to make a family happy for a long time.
